

Inspired Minds Posters and Products

The 30 titles of the Inspired Minds posters were developed, along with the help of a team of professional psychologists, as a means to foster self-confidence. The award-winning inspirational posters, notes, magnets, and postcards feature 30 affirmations designed to promote social-emotional learning, inclusion, and growth mindset. Our 30 poster titles are also available in Spanish.

Writing prompts and classroom tools are available on our website and our email newsletter with exercises to promote SEL.
